- Every program submitted for airing must be clearly labeled with the title, the name of the program sponsor with contact information, and length (accurate TO THE SECOND. Do not round-off times. The program should be preceded by 30 seconds of color bars and tone, a slate (title, length, date of completion, sponsor's name and sponsor's contact information), and a ten-second countdown. Information should be written on DVDs with a permanent black marker rather than labels.
- The Videotape/DVD must be titled with credits at the beginning and end of the program. Black video and no audio must follow the ending credits.

Program sponsors may be subject to significant civil and/or criminal liability under federal, state and local laws regarding **libel, slander, obscenity, incitement, invasion of privacy, copyright violation** or violations of other similar laws. **HTCA-TV channels may not be used to present material which violates federal, state or local law.**

Program sponsors assume complete liability for the content of the programming they present, and to the maximum extent permitted by law, defend, indemnify and hold harmless the Township of Harrison, Harrison Township Community Access Television, any franchised cable operator, or any of their employees, officers or agents from any and all claims which may arise from the telecast of a program. **I have read the requirements and regulations. I understand them and agree to be bound contractually by them.**
